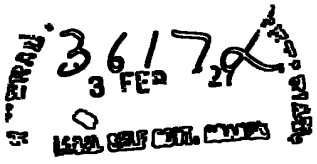
Mul 7-26—109



The accompanying letter dated the 25th January 1927 from Mr. K. S. Chandrasekhara Aiyar is forwarded with compliments to the Local and Legislative Secretary with a request that the Municipal Council may be consulted as to whether there is any objection to a portion of th vacant land to the west of the Hardinge Road ‖ popularly known as the Ghandi Maid and adjoining the building in which the Provincial Co-operative Bank is located being made available to the Krishna Gana Samaj. I have inspected the site and consider it the most suitable provided th Gana Samaj can put up a decent building. Mr. Chandrasekhara Aiyar may also be consulted both as regards the site and the design and the cost of the building which the Samaj is prepared to construct. The grant of such aid depends upon the size of buildings and a proper scheme

From

The President, Sri Krishna Gana Samaja,
Bangalore City.

To

Amin-ul-mulk Mirza M Ismail Esquire, O.B.E , C I E ,
Dewan of Mysore

Sir,

You are no doubt aware of the objects and activities of the Sri Krishna Gana Samaja, Bangalore, of which His Gracious Highness the Maharaja is the revered and beloved Patron The Samaja has now over one hundred permanent members on its rolls, including many enthusiastic and influential devotees of Indian Music

For want of a habitation of our own, the entertainments of the Samaja are now being given in various buildings, such as Sankariah Hall, obtained for temporary use, and our other activities, too are being unduly cramped It is, at the same time, being felt that the stability and strength of our institution is such as to warrant its aspiring for a building of its own, where it can arrange with due convenience not only for periodical musical entertainments, but also for lectures, demonstrations, classes, et cetera, as well as for the housing of a library and musical instruments of various countries, and so forth

In order to enable us to achieve this object, it is necessary in the first instance to obtain a suitable site in a fairly central but open locality, so that it may be both conveniently situated and free from bustle and distraction So far as we are aware, there seems to be no better locality available for our purpose than the open plain of the Fort Glacis which stretches to the south of the Minto Ophthalmic Hospital and east of the Fountain Road

2

and north of the City Institute This area, I may mention, is within the sole control and disposal of His Highness' Government, and we shall feel extremely thankful if you will be so kind as to sanction the grant to the Sri Krishna Gana Samaja, free of cost, of a site of about an acre in extent out of the aforesaid area together with permission to to use the fort stones available for foundations etc

As head of the administration and as one who sincerely sympathises with the efforts of the Samaja to foster, encourage and popularise Indian music and the taste for good music generally, you will, we feel fully confident, deal favourably and sympathetically with our present request

I beg to remain

Sir,

Yours most faithfully

S i r,

With reference to your application dated the 2'th January 1927, requesting the free grant of a piece of land of about one acre in open plain of the Fort Glacis to the South of the Minto Ophthalmic Hospital for the construction of a building for the location of the said Gana Samaja, I am directed to state that the Dewan on inspection of the locality has considered that a portion of the vacant land to the west of the Hardinge Road and adjoining the building in which the Provincial Co-operative Bank is located, (known popularly as Gandhi Maidan) is the most suitable for the purpose for the Gana Samaja can put up a decent building.

I am therefore to request you to kindly intimate whether the Samaja is agreeable to accept the above site. The grant of the site will depend on the design and size of the building which the Samaja is prepared to put up. A ground plan, showing clearly the size and other particulars of the proposed building together with an estimate as to cost thereof may be got prepared and sent with your reply for the orders of Government. A copy of each of these may also be forwarded

to the Municipal Council.

I have etc

From The President, Sri Krishna Gana Samaja

To The Chief Secretary to the Government of
His Highness the Maharaja of Mysore

Sir,

I am in receipt of your letter No. L. [illegible] 7-26-112 dated the 11th February 1927, enquiring if portion of the vacant land to the west of the Hardinge Road and adjoining the Provincial Co-operative Bank's premises would suit the purposes of the Sri Krishna Gana Samaja

I feel deeply grateful to Government for the offer, which, on behalf of the Samaja, I readily and thankfully accept The site in question is conveniently situated, and I have no doubt it will suit the purposes which the Samaja has in view The site is no doubt somewhat narrow in width, not much more than a hundred feet from east to west but I hope the Government will very kindly make up for the lack of breadth by increasing the length of the strip to be granted

A suitable design for the building to be erected is under preparation and I shall cause copies of the same to be sent to the Government as well as to the Municipal Council as soon as possible

As regard the amount which the Samaja can afford to spend I may state that the total cost of the structure will eventually come to about Rs 25,000 on a probable estimate, including an upper storey, outbuildings and compound wall, But as it is proposed to make a beginning at present with the ground floor comprising a spacious hall with wings, where the regular entertainments, lectures, etc will be given, as I [illegible]

will

with the compound wall this will require about twelve thousand rupees, which the Sangha feels confident of being able to raise The rest of the building will be completed when the need arises and further funds become available

Yours faithfully

N.S. Chandrasoma Thera

President

"Chandra Vilasa," Basavangudi,

The President, Sri Krishna Gana Samaj.

The Chief Secretary to the Government of
H.H. the Maharaja of Mysore.

Sir,

In continuation of my letter of 15th February 1927, and as promised in para 3 thereof, I send herewith a plan, with elevation, of the building which it is proposed to construct on behalf of the Sri Krishna Gana Samaj, on the site to be kindly granted by Government.

The design as now adopted is rather more elaborate and costly than that originally in view, but it is artistically very satisfactory and provides for all requirements. It is roughly estimated to cost from twelve to fifteen thousand rupees (exclusive of out-buildings and compound walls).

I am sending a copy to the Municipal Commissioner

Yours faithfully

President.

The Sanskrit College will certainly require a garden and The Karanataka Sahitya Parishat and The Gana Samaja will be frequented by a number of people in case of ~~sermons~~ lectures are given, and the Banking Institution also will be more conveniently placed if cars can drive into the compound rather than accumulating and the traffic on the road

The other day I found the Municipal officials measuring the site facing the Hardinge Road for allotting them to the Apex Bank and other institutions which have applied for them. From the plan I found that the site allotted to the Apex Bank is contiguous to the site allotted to the Bangalore Bank. This perhaps may lead to inconvenience later on when two institutions doing almost the same kind of business are si by side. May I ask you to place this matter before Government for kind consideration and if possible, to substitute in place of the Bangalore Bank either the Sanskrit College or other institution of a different nature transferring the Bangalore Bank to the site thus set free
